Chief Pernet
North Whatcom Fire and Rescue
4142 Britton Loop Road
Bellingham, WA 98226

Chief Pernet,

We would like to thank Lieutenant Kristopher Jorgensen for providing CPR training to the Semiahmoo Resort Association staff and two (2) of our board members.

This training is especially relevant at this time as our staff are serving 655 homes and condos in Semiahmoo and are out in the field continuously. Additionally, the heightened awareness of the Cascadia Subduction allows our community to be better prepared should such an event occur.

Our community is in the midst of setting up neighborhood watches and MYN that not only address safety and security, but are planning for emergencies. Many members are enrolled in CERT and are getting HAM licenses so again we may be prepared.

The CPR training was clear and concise and helped everyone to understand how simple it is and remove doubts from performing CPR, should it be required.

Again, thank you for allowing your staff to complete this and for supporting our Semiahmoo community.

Respectfully,

A handwritten signature in blue ink that reads "E. R. Metz".

E. R. (Ted) Metz
Director
Semiahmoo Resort Association
