

Thank you note submitted on the NWFR website on May 8, 2016

As part of a Sherriff well-check on my mom, your team emergently entered my mom's house at 4029 Alyssa Court and saved her life, as she had been down for over 48 hours and was quickly deteriorating. She was in the hospital for quite some time with multiple surgeries. She is doing VERY well considering all she went through and is rehabbing at a skilled Nursing Facility. I cannot thank you enough for all you did that day to save my Mom and all you do EVERY DAY to help our community. Thank you from my family, my mom and myself. We are lucky to have you!
