

Dear Emergency Responders ☺ (5/23/14)
of Britton Loop Station -

Wow! You guys were/are AWESOME!!
Back on 12/29-30/2013 you were called out
to my home, twice ... 1st because of
chest pangs ... 2nd because my heart stopped.
Your team arrived quickly both times -
Thank you for that - Your timely actions
(after my husband's CPR ☺) saved my life
(Not to mention shocking me SIX TIMES!!!)
GOD, w/your help, had other plans for me
than death at this time in my 2/7th year.
I am swalking MIRACLE because of you!!!

☺ Your kindness has not gone unnoticed—OH NO!!
The Lord sees and so do I!

I am forever grateful for how you all
do this life-saving work here on earth!
May Our Lord Bless you,
Lisa Hovind ☺
