

Correspondence from Scholar family for a public assist request on October 23, 2015.

Captain Ray Davidson and firefighters Chuck Shipp and Mark Wohlrab

Dear Fire and Rescue,  
Over the last few weeks,  
we've unfortunately had to  
call upon your services  
twice at 4450 Knorr Ct in  
Blaine - First when my mom  
suffered an aortic dissection  
and had to spend two weeks  
in the hospital (you were the  
first at the scene) and then  
when I locked myself out of  
the house the night I was  
preparing for her to come home.  
I had nowhere to go and no  
way in except a dangerous climb  
to an open second story window,  
so you offered me a citizen's  
assist. Some of the firemen  
helping me were the same who  
helped my mom. Thank you  
so much. Your kindness and  
services will forever be in our  
memories. We cannot express  
how much we appreciate you,  
♥ The Scholar Family

Your thoughtfulness  
certainly made  
a difference in mine.

Thanks Again
