Gentlemen:

On 12/27/2016, you transported my husband to the hospital in Bellingham. Our daughter Paris flew down from Anchorage, arriving around midnight. He was released on the 29th. Later that day you transported me to the hospital. I want you to know how much we appreciate all the excellent care we received. The gentleman that transported my husband actually came back to our home to see if I was ok.

Again, on 7/20/2017 I had to call from Alaska and have them go to our home for my husband as he said he had fallen.

Our daughter would also like to thank you for assisting with her dad. We are concerned for his safety.

Thank you again.

Eleanor Reaves
