Thank You

Henry

A simple "thank you" seems hardly enough for all the Firefighters who devoted their time, treasure, and muscle to ensure the success of the CAP Thanksgiving Baskets project. I am most grateful for the privilege of working with such dedicated volunteers. Thanks to all of you for sharing the burden and for all you have done to bring this project to completion.

Sincerely,

A handwritten signature in cursive script that reads "Jerry Williams".

Jerry Williams, Exec. Dir.
