Captain Davidson,

On behalf of all residents of Campo El Vergel and the surrounding Campos located below the town of San Felipe in Baja, California please accept our thanks and appreciation for your generous donation to the El Vergel Fire Station.

As Volunteers, it is our goal to provide fire protection assistance wherever and whenever needed in an area where no such service has previously existed. You can be assured that your donation will go to good use.

Again, thanks for your interest and support of our station.

Very truly yours,
