NW Whatcom Professional Firefighters Local 3867
4581 Birch Bay Lynden Road
Blaine, WA 98230

Dear Firefighters,

Thank you so much for all your help with the CAP Thanksgiving Basket Program.

Mike Nelson and the firemen of Local 3867 in partnership with North Whatcom Fire and Rescue assisted in so many ways during the set up and distribution of the baskets. They were invaluable. From hanging the banner to picking up the turkeys for us at Costco's, hauling work tables and cases of milk, returning the milk cartons to Edaleen's Dairy, and hauling baskets out to needy families they were there and made it happen in a big way.

This year we served 196 families in Blaine, Birch Bay, and Custer. The efforts of the firefighters made a big difference. Because of you, nearly 950 marginalized children and adults in families nearby truly had a dinner for which to give thanks.

Bless you,
