This is to six great EMT's
Who came in groups of three
to my house on Dean Drive in
Custer to pick my sister, Kaaran
Cannon up. Once out of the
bathroom and then off the living
room floor.

You six guys needed this
BIG THANKS last JANUARY
for being so nice, gentle and
caring. You guys are **GREAT!**

I never thought after she
died on January 22 that it would
take so long to close up her
house and estate, thus making
my note of thanks to be
nearly eleven months in getting
this out to you, but here it is!

Thanks!
Jan Brown
