

Feb 28, 2018

When I fell in my bathroom
a couple of weeks ago, I tried
for three hours to wiggle out
of there so as to get up by
myself. This did not work.
So we called for help, and
two of you quickly had me on
my feet.

I am deeply appreciative
of your help. I am now enrolled
for some physical therapy to
help me with my balance.

Thank you,

Gene Cole
