

NORTH WHATCOM FIRE AND RESCUE

FIRE DISTRICT POLICY

Number: 400.009.01

Date: 5/10/05

Area: Personnel

Page: 1 of 7

Subject: Job Description – Firefighter/Non-Exempt

Approved:

Policy 400.009.01

1.0 General:

The non-exempt Firefighter is responsible for completing daily assignments, routine station and equipment maintenance, special projects, training and other non-emergency work. He/she also responds to emergency incidents to include but not limited to, emergency medical, rescue, fire suppression, hazardous materials, and public service incidents. Other duties may include fire prevention activities, medical rescue training, fire suppression training, pre-incident planning, inspections, and hydrant maintenance.

2.0 Supervision Received:

The non-exempt Firefighter operates under the direction and supervision of the full paid Shift Officer.

3.0 Supervision Exercised:

The non-exempt Firefighter does not have supervisor authority over other firefighters unless specifically assigned to a command position at an emergency incident scene, or when assigned as an interim officer for other circumstances. Non-exempt firefighters are encouraged to serve as “mentors” for volunteer personnel.

4.0 Essential Duties and Responsibilities:

- 4.1 Drive fire apparatus, including fire engines, water tenders, ladder trucks, ambulances, and other support vehicles.
- 4.2 Operate apparatus on scene, including pumping and aerial ladder operations, and utilizes tools and small equipment
- 4.3 Perform fire suppression and rescue activities, including entering burning structures, directing fire streams, searching and extricating
- 4.4 Perform emergency medical activities, including patient evaluation, trauma treatment, CPR, defibrillation, and insertion of combi-tubes
- 4.5 Respond to hazardous materials incidents at the First Responder-Operations level to perform defensive operations
- 4.6 Assist in fire investigations
